Short Term Certificate Course in Nuclear Physics 2021 (STCCNP-2021)

30 July- 18 August 2021

Online mode Course Duration 30 hours

Parton : Prof. C.D. Suntha Principal Govt Post Graduate College Berinag Pithoragarh

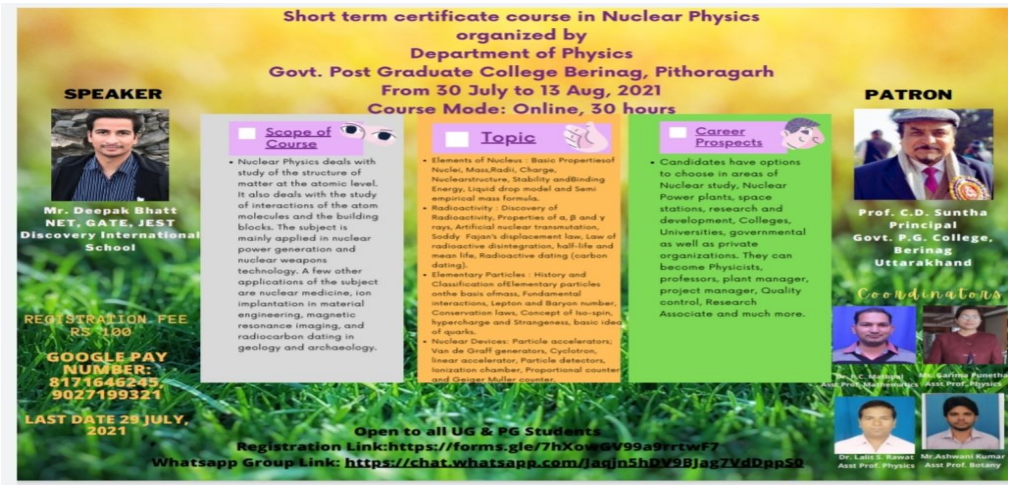
Coordinators : Dr. P. C.Mathpal, Assistant Professor of Mathematics

Dr. Garima Punetha, Assistant Professor of Physics

Dr. Lalit Rawat, Assistant Professor of Physics

Dr. Ashwini Kumar, Assistant Professor of Botany

Speaker: Mr. Deepak Bhatt (NET, GATE, JEST) Discovery International School Rajasthan



Report of the 20 days Short Term Certificate Course in Nuclear Physics 2021

(STCCNP-2021)

Inaugural of the Course

On 30 July 2021, the inaugural of 20 days Short Term Course on Nuclear Physics for undergraduate and post graduate students was started at Government Post Graduate College Berinag, Pithoragarh. Short term course was organized by Department of Physics Govt Post Graduate College Berinag Pithoragarh. The course was inaugurated by College Principal Prof. C. D. Suntha. Prof. Suntha said that, this course will help in building of better understanding of Nuclear Physics and help in creating scientific temper in general. The course was coordinated by Dr. Garima Punetha, with the support of Dr. P. C. Mathpal, Dr. Lalit Singh and Dr. Ashwani Kumar. More than 120 students from different colleges across the state got registered for the course. The course was very useful for undergraduate and postgraduate students as it provide basic concepts of Nuclear Physics and help in understanding it from elementary idea to recent advancements.

Registration Process, Platform and Evaluation of Students:

The said course started through registration and students from different colleges (Pithoragarh, Lohaghat, Bageshwar, Almora, Nainital, Ramnagar etc) got registered for the program. The coordinator of the course Dr. Garima Punetha, elaborated the scope of the course, course outline, career prospects to be discussed during the course. The course was conducted through google meet platform for 20 days with lecture content delivered by Mr. Deepak Bhatt along with tutorials for evaluation of student's performance during the course. The online sessions during the course were interactive and the speaker answered several questions raised by the students.

Valedictory Session:

On 18 August 2021 the valedictory session was addressed by Principal Prof. C. D. Suntha and congratulated Dr. Garima Punetha and Mr. Deepak Bhatt for the successful completion of the course. The entire participants provided positive feedback and admired the speaker for the successful completion of the certification course. The participants acknowledged Dr. Garima Punetha for organising such an informative course and insisted to continue with such program in future. The course ended by the successful distribution of certificates to all the registered participants.
