Debate Competition on "क्या आधुनिक तकनीकें
(AI)पर्यावरण संरक्षण की सबसे प्रभावी कुंजी है?"

Under Akhil Bharatiya Shiksha Samagam (ABSS-2026)

Date: 07 August 2026, Venue: Haal 01

Report:

In accordance with the activities proposed under Akhil Bharatiya Shiksha Samagam (ABSS-2026) to promote student participation, research, innovation, and the objectives of the National Education Policy (NEP)-2020, the Department of Geography & Mathematics Government P.G. College, Berinag, organized a Debate Competition on the theme " क्या आधुनिक तकनीकें (AI)पर्यावरण संरक्षण की सबसे प्रभावी कुंजी है?" on 07 August 2026. The activity was conducted with the objective to develop awareness among students about modern technology, to encourage critical thinking, to examine both perspectives & to explore technological solutions among undergraduate students while encouraging them to express their idea.

The programme was organized under the chairmanship of Dr. Mahesh Chandra Pandey, Officiating Principal, Government P.G. College, Berinag. In his inaugural address, Dr. Pandey highlighted the importance of environment protection for achieving the vision of Viksit Bharat@2047 and emphasized that higher education institutions play a vital role in nurturing innovative thinking among students. He encouraged students to actively participate in activities and adopt the learner-centric and multidisciplinary approach envisaged in NEP-2020.

A total of 20 students from different semesters of the B.Sc.& B.A. programme enthusiastically participated in the competition.

The evaluation of the debate competition was carried out by an expert panel comprising Dr. Ashwani Kumar, Assistant Professor, Department of Botany; Dr. Lalit Rawat, Assistant Professor, Department of Physics; and Dr. Lxman Singh Dev, Assistant Professor, Department of Physics. The judges assessed the entries based on originality, relevance to the theme, content, clarity of presentation, creativity, visual appeal, and overall impact.

Based on the evaluation, the following students were declared winners:

Position	Name of Student	Class
First Prize	Gaurav Pathak	B.A. V Semester
Second Prize	Shubham Bhatt	B.Sc. III Semester
Third Prize	Neha Bohra	B.Sc. III Semester

The event was successfully coordinated and organized by Mrs Vinita, Dr. Meenakshi Goswami from Geography Department & Dr. P.S. Mehra & Mrs Renu from mathematics department. Faculty members from various departments of the college actively attended the programme, appreciated the students' efforts, and encouraged them to participate in future academic and activities.

The programme concluded with the announcement of the results and appreciation of all participants for their enthusiastic involvement. The organizing committee acknowledged the

valuable support extended by the college administration, faculty members, judges, and students in making the event successful.

Outcome of the Activity:

The Debate Competition successfully fulfilled its objective of promoting awareness and encouraging technical knowledge among students. The activity enhanced students' creativity, presentation skills, and confidence while encouraging interdisciplinary learning and problem-solving abilities. It also strengthened the implementation of NEP-2020 by providing experiential learning opportunities and motivating students towards environmental issues, innovation, and knowledge creation. The event served as an effective platform for developing & fostering an academic culture that supports innovation, critical thinking, and excellence in higher education, thereby contributing to the broader goals of ABSS-2026 and Viksit Bharat@2047.

Program Highlights:

The banner for the Debate Competition -2026 features the college's logo on the left and a 50th anniversary emblem on the right. The central text identifies the institution as Government Post Graduate College, Berinag, Pithoragarh, affiliated to Soban Singh Jeena University, Almora, and recognized by UGC under section 2(f) 12(B) as a NAAC B+ Accredited Institution. The topic is presented in Hindi: "क्या आधुनिक तकनीकें पर्यावरण संरक्षण की सबसे प्रभावी कुंजी है?". The event is scheduled for August 17, 2026, at 11:30 AM in Hall-1. The convenor is from the Geography & Mathematics Department, and the co-convenor is from IQAC & IAC.
