Various Departments

The Feedback Analysis Committee of the college, appointed by IQAC, collects feedback response, a set of questionnaires, from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, and faculty member. Students who offered feedback were from all departments of college.

The feedback targets following different content for different stakeholders:

For students, it addressed completion of curriculum, quality of teaching, communication skills, delivery, internal evaluation process, sharing of student's entire performance with students, college supports, mentoring process to enhance their skills and professionalism, uses of ICT in class teaching, This feedback also considers other issues like delivery of curriculum by teachers.

For faculty members, the feedback addressed various aspects of curriculum like content, learning outcomes, research oriented, pedagogy, applicability in various competitive exams, skill developments etc. for students.

Students Feedback:

- Quality of teaching and internal evaluation process are very good.
- Efforts made by college in various areas like incubation of soft skills, life skills and employability skills are satisfactory.
- More interaction is required.
- More attention is needed for ICT activities, Wi-Fi and Laboratory engagement.
- Reading space in Library and number/range books must be reflected in students domain

पत्रांक... **Faculty Recommendations:**   दिनांक.................................

- More attention is in required in practical learning, and skill developments at graduate level.
- PG curriculum must be more research oriented.
- Incorporation of members from other universities for Board of studies.
- Curriculum must contain computer skills and should be designed as per the needs of current situation.

ACTION TAKEN REPORT FOR SESSION 2020-21:

Feedback	Action Taken	Impact
As per received feedback, students are quite happy with quality of teaching, evaluation process and efforts made by college in various areas like incubation of soft skills, life skills and employability skills.	In an open meeting, faculty members have decided unanimously that extra efforts must be carried out for enhancing their skills in regular intervals	It encourages the moral of faculty members
Students suggested more interaction with faculty members is required to enhance student's skills in their fields/subjects.	Formal instructions were circulated to all the faculty members for addressing the issue of increasing interactions in small groups and mentorship program were made compulsory along with regular lectures.	Faculty members paid more attention to this issue. It has helped in developing skills.
More attention is needed in the areas of ICT activities, Laboratory engagement for practical learning, and facility of Wi-Fi for students.	Formal instructions were circulated to all the faculty members for aiding ICT in class teaching and increasing Lab timing. Facility for Wi-Fi is discussed with higher authorities.	Efforts are made by the faculty members in respective areas.
Reading space in Library and number/range books must be reflected in students domain	Reading room is set up by college administration and list of books is uploaded in the college website (egranthalaya)	

Incorporation of members from other universities in Board of studies and research oriented curriculum PG students related material	For these matters correspondence were done with university.	Result is yet to come.
Computer skills and should be designed as per the needs of current situation.	Department of Chemistry was instructed to take suitable measures to run value added courses.	At present, value aided course in Fundamental of Computers is running
