

Program Specific Outcome (PSO)

B. A. Hindustani Music (Vocal)

- PSO-1** Help students work efficiently towards graduation with the skills and desire to continue making a valuable contribution to society through quality music making and teaching.
- PSO-2** Integrate varied educational opportunities to create distinctive musical experiences oriented to the students specific needs and interests.
- PSO-3** Prepare students for a wide range of career option and or graduate study in music or other academic areas.
- PSO-4** Recruit music majors who enhance our programs through dedication to the development of musicianship and to excellence in Academics.
- PSO-5** Offer a diversity of musical performances to the community working collaboratively when opportunities exist.
- PSO-6** Maintain a curriculum that serves to develop musicians through experiences in a diverse performance repertoire and the study of the music of different countries and peoples.
