

Govt. P.G. College Berinag, Pithoragarh

Chemistry Department

Programme Outcome

M. Sc. - Organic Chemistry

At the completion of M. Sc. in Organic Chemistry the students are able to:

PO1 Develop knowledge, understanding and expertise in their chosen field of chemical science.

PO2 Develop an understanding of eco-friendly chemical processes and impact of chemistry on health and environment.

PO3 Understand theoretical concepts of instruments that are commonly used in most chemistry fields as well as interpret and use data generated in instrumental chemical analyses.

PO4 Provide opportunities to excel in academics, research or Industry
