

**Report of Workshop on Creativity, Innovation,
Entrepreneurship and Intellectual Property Laws (IPR Laws)**

On

14-15 March 2022

Organised by

IQAC & Department of Physics

Govt Post Graduate College Berinag Pithoragarh

Sponsored by

**Uttarakhand State Council of Science and Technology ,
Dehradun**

The workshop was organized by IQAC & Department of Physics Govt Post Graduate College Berinag, Pithoragarh and Sponsored by Uttarakhand State Council of Science and Technology, Dehradun on 14 & 15 March 2022.

Registration

The workshop begin with Registration

Inaugural Function

Lightening the ceremonial Lamp, Saraswati Vandana, Honour the guests, welcome song

Inaugural of Abstract Book

Theme Presentation

Theme Presentation was done by Ms. Garima Punetha in which she initially welcome Guest of honour Dr. Sidharte Patni, Medical Officer Berinag Pithoragarh, Principal Prof. C. D. Suntha, Invited Resource person academicians, young researchers, business delegates and students from all over the state to attend the workshop on Creativity, Innovation, Entrepreneurship and Intellectual Property Rights at Govt Post Graduate College Berinag Pithoragarh

The following Objectives of the workshop were presented :

Intellectual Property Right plays a key role in gaining advantages position to promote economic growth of our nation. India enjoys a large asset of R&D personnel and infrastructural facilities. Scientists and policy makers need more information, orientation and facilities for protecting the products of intellectual Effectiveness of Indian Scientists. The workshop aims for the fulfilment of the above objectives. The specific objectives of the programme are as follows with some specific themes :

1. IPR Basic Concepts, International Perspective and Emerging Issues in Developing Countries with Special Reference to Uttarakhand

Sub themes:

- IPR as a goldmine in knowledge economies
- Concept and principle behind IPRs
- Evolution and development of IPRs
- International treaties
- Trade Related Aspects of IPR and Role of World IPR
- Various kind of IPRs: Industrial rights – patents, industrial designs, trademarks, geographical indication ,Integrated circuits
- Copyrights and other related rights
- Protection and enforcement: international mechanism

2. IPR Protection and Enforcement in India

- IPRs in India and impact of Trade Related Aspects of IPR on IP laws in India.
- Indian patent regime and recent modification of patent act 1970.
- An insight in to copyrights and relating to Trademarks, Industrial designs
- Principle of registration of geographical indication in India
- Cyber laws in India.
- IP crimes in India
- IP management in India

3. Role of IPR in the Promotion Of Innovations, Science and Technology for the Development of Primary, Secondary and Tertiary Sectors in the Economy of Uttarakhand

- Recent international developments in IPR protection
- Challenges of information and communication technology

- CBD and Biotechnology , Bio piracy & Bio prospecting, and benefit sharing , farmers rights in developing countries
- Intellectual property protection of Traditional knowledge and prior art living species etc.
- Piracy and counterfeiting
- Technology transfer, IPRs and problems associated with environment and necessities -food security and public health in developing countries and Himalayan states
- Traditional Knowledge and cultural expressions in Uttarakhand
- IPRs and Research and Development in Uttarakhand
- IPRs , Innovation and entrepreneurship in Uttarakhand

She on behalf of the organising committee thanks to the Dr. Rajendra Dobhal, Director General, Uttarakhand State Council of State and Technology (UCOST) Dehradun, sponsor of this workshop for the financial assistance.

Keynote Address by Prof. C.D. Suntha, Principal, Govt Post Graduate College Berinag Pithoragarh

Prof. C. D. Suntha, Principal, Govt Post Graduate College Berinag delivered an illuminating Keynote address on “Intellectual property Rights in India”, wherein the participants were made aware of importance of IP, types of IP, IP activities carried out by IPO, trends of patent filing in India and abroad and success stories on capitalizing of IP. This created a buzz among the audience and was very much appreciated by the participants.

Inaugural Address by Chief Guest Dr. Siddharth Patni, Medical Officer, Berinag Pithoragarh

First Technical Session

After High tea the first technical session begin for which the Chairperson for the session was Dr. Pawan Tamta, Assistant Professor Mathematics, Govt Post Graduate College Berinag, Pithoragarh and Rapporteurs - Dr J N Pant, Assistant Professor Botany, Govt Post Graduate College Berinag, Pithoragarh

The first resource person for the technical session was Dr. Narendra Kumar Singh, Assistant Professor Mathematics, Govt Post Graduate College Dwarahat, Almora. The topic of his presentation was “Introduction to Intellectual Property Right”. In his talk he elaborated the various aspects of IPR , different rules/regulation and their impact on the society.

The second Resource person for the technical session was Dr. Kamika Chaudhary, Assistant Professor Computer Science, M.B. Govt P. G. College Haldwani. The topic of his presentation was “Intellectual Property in Computation and Information Technology”. In her talk she elaborated

Intellectual property rights for software and digital information and emphasized the importance of maintaining a strong public domain in cyberspace, and argue for unrestricted access to electronic information and for the permissibility of copying proprietary software. In computer ethics, the ethical and philosophical aspects of disputes were presented and policy proposals are made for the regulation of digital intellectual property in its different forms.

Paper Presentation & Interactive Session

After lunch the paper Presentation by various participants and Interactive Session was done .

Second Day

Second Technical Session

The other day of the workshop begin with the second technical session. The chairperson of the session was Dr. J N Pant, Assistant Professor Botany, Govt Post Graduate College Berinag, Pithoragarh and Rapporteurs was Dr. D S Khati, Assistant Professor Political Science, Govt Post Graduate College Berinag, Pithoragarh. The first speaker of the technical session was Dr. B.C Pathak, Assistant Professor Zoology, L.S.M. Post Graduate College Pithoragarh. The title of his presentation was "Behavioural Studies of Hill Stream Fishes and Intellectual Property Rights in Fisheries Sector". He said that Comparative studies of Behavioral outcome are the resultant of the interaction of external and internal environment of the Fishes. He examine the stress related behavioral parameters such as Mobility and activity of the fishes. The fishes were observed for a trial duration of 300 seconds. The behavioral outputs of the fishes' displayed a denoting difference at $P < 0.05$. In the present time to protect the innovation is the key aspect of the intellectual property right.

The second speaker of the technical session was Dr. Pawan Tamta, Assistant Professor Mathematics Govt Post Graduate College Berinag, Pithoragarh. The title of his presentation was "Know How to Copyright". His presentation was concerned with the detailed description of Copyright. He elaborated that copyright is type of intellectual property that gives the owner exclusive right to copy and distribute creative work. The creative work may be in a literary, artistic, educational, or musical form. Copyright is intended to protect the original expression of an idea in the form of a creative work, but not the idea itself. In the present description an effort is being made to present various platforms for filing copyright. Emphasis is made on US Copyright, the steps to file the same were found simple and easily accessible without concerning an attorney. At the end, the concept of copyrightable work is being made vivid through the illustration of copyrighted emojis used in various social media platforms.

The third speaker of the workshop was Dr. Mamta Joshi, Assistant Professor B.Ed, Govt Post Graduate College Berinag Pithoragarh. The title of her presentation was "Need of IPR of the protection of cultural heritage of Madhya Himalaya region of Uttarakhand". She elaborated that India is the land of

great diversity in regional and local levels. It has also a rich cultural heritage and this is inherited from past many years to present and provide benefits to the society. The people live near the Madhya Himalaya region in Uttarakhand or nears the glaciator like Pindari, Milam, Kafani etc have the rich source of endemic vegetation of medicinal value as well as this region is the land of indigenous cultural heritage and traditional knowledge and in this time Madhya Himalaya region is an open treasure box for whole world so here is a high need of intellectual property rights (IPR) associated with their use and protection. She focused on the medicinal value of endemic vegetation and special cultural heritage of the social groups living near the Madhya Himalaya. Her study was based on the survey research and the researcher collect the information from the local communities by the interview regarding their culture, tradition and endemic medicinal plants as well as their medical value and use of locality as the economic resource of them because the people living their have a long a symbiotic relationship with the endemic flora and fauna of their area with their culture. Her presentation provided a better understanding for stockholder involve in heritage management and its income beneficiary for their own locality.

Poster Presentations

After tea the workshop begin with poster presentations on IPR. Several posters were presented by students and were given first, second and third rank. Ms. Minakshi, M.Sc. IIIrd semester got first rank, Mr. Himanshu Joshi, B. Sc. IIIrd year got second, Mr. Ritik Bhanudas Nikam, , B. Sc. IIIrd year & B.Ed. Department Preeti Sharma group got third rank.

Valedictory Session

After lunch Valedictory session begin with Distribution of Certificates, Votes of Thanks by Dr. P. C. Mathpal.

Purpose of the workshop

The workshop created a great impact on the entire audience. Students were taught on how IPR restricts copying others ideas and how this will help the development of new ideas for the betterment of the society. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society.

RELEVANCE OF IPR FOR UTTARAKHAND & SCIENCE AND TECHNOLOGY

- Keeping in view the inadequate level of awareness about IPRs in the state particularly among the academia and professionals the seminar would be able to provide an appropriate forum to disseminate about the global and national mechanism of IPRs and issues of concerns both at national and state level.
- The awareness about protection and enforcement of IPRs would strengthen the protection and enforcement of IPR laws and thereby create conducive environment for elimination of piracy and counterfeiting in the state which is responsible for heavy losses to the exchequer as well as large scale sufferings to the society in general and right holders in particular.
- Protect traditional knowledge and geographical indications in the state.
- More filing of patents by the state level educational and research institutions.
- Development of Ayurvedic, Unani drugs and naturopathy including yoga in the state through appropriate protection of rights and consequent benefits.
- Lower level of IPR infringements among the scientific and academic community.
- The knowledge about patent search would provide identification of relevant areas of research , thereby provide right direction to new research and reduce the risk of wastage of time and energy in the duplication of research efforts as is evidenced in many higher and scientific educational institutions at present.
- To identify Opportunities and find ways to leverage IPR in the region and national development and growth.
- To create awareness against the menace of counterfeiting and piracy and help in the protection and enforcement of IPR laws. To create awareness to develop sui generis laws for traditional knowledge and folklore.
