Govt. P. G. College Berinag, Pithoragar

Seminar Report

The seminar was organized by the college to provide a platform for the faculty and students to interact with eminent speakers and experts on the topic of quality upgradation and innovation in higher education. The seminar aimed to create awareness and inspire the participants to adopt innovative practices and methods in teaching and learning.

The seminar was inaugurated by the principal, Prof. C.D. Suntha, who gave a detailed lecture on various aspects of the topic. He highlighted the importance of quality assurance, accreditation, curriculum development, research, and extension activities in higher education. He also emphasized the need for continuous improvement and innovation in pedagogy, assessment, and evaluation.

The chief guest of the seminar was Mr. Hem Pant, President of Nagar Panchayat Berinag, who appreciated the initiative taken by the college and encouraged the faculty and students to pursue excellence in their academic endeavors. He also shared his vision and plans for the development of the region and the role of education in it.

The special guest of the seminar was Dr. K.S. Negi, Representative of state Government, who spoke about the policies and programs of the government to support and promote quality and innovation in higher education. He also mentioned the various schemes and opportunities available for the institutions and individuals to enhance their performance and outcomes.

In seminar Prof. Lallan Verma from the department of physics and Mr. Harish Jarmal from the department of Hindi express their detail view on the quality enhancement of higher education system.

The seminar concluded with a discussion and question-answer session, where the speakers interacted with the students and answered their queries and doubts. The

students also gave their suggestions and feedback on how to improve the quality and innovation in higher education.
