# One day workshop on “Drug Free Devbhoomi”

21 March 2023

The B.Ed department of Government Post Graduate College Beringag conducted a workshop on “Drug Free Devbhoomi” on 21 March 2023.

The workshop was organized by the College Anti Drug Cell and was attended by the students, teachers and student teachers of the department.

The main objective of the workshop was to create awareness and prevention of drug abuse and addiction among the participants and the society.

The workshop consisted of various activities that involved the participants in expressing their

views and opinions on the issue of drug addiction. The participants made posters, pamphlets and charts that showed the negative impacts of drugs on health, society and environment. They used different colors, slogans and images to convey their messages effectively. The participants also discussed the causes and solutions of

drug addiction in groups and presented their findings to the audience. They shared their personal experiences and observations of how drug addiction has affected their lives or the lives of others. Some of the participants also took an oath to form groups and spread the message of drug-free Devbhoomi in their neighborhoods, villages and areas. They promised to keep a watch on the people who are involved in drug trafficking or consumption and report them to the authorities.

The workshop was graced by the presence of Dr. Yogesh Chandra Joshi, co-coordinator of Anti Drug Cell, and Mr. Manoj Kumar, Assistant Professor B.Ed, who addressed the participants and motivated them to join the fight against drug addiction. Dr. Joshi said that drug addiction is a serious threat to the harmony and well-being of our society and we need to work together to eradicate it. He also urged the participants to be vigilant and responsible citizens and help others who are suffering from drug addiction. Mr. Kumar also spoke at the workshop and appealed to everyone to make Uttarakhand drug free. He said that we have a duty to protect our Devbhoomi from the menace of drugs and preserve its natural beauty and culture.

The workshop was a success and received positive feedback from the participants. They appreciated the efforts of the organizers and thanked them for providing them with an opportunity to learn and express themselves on such an important topic.

In this occasion Posters on drug abuse and its prevention presented by Anjali, Sunita, Himanshu, Isha, Garima, Rupen, Shilpa etc are praised by all the participants. All the students, teachers and student teacher contributed to the workshop with their enthusiasm and creativity.
