## **REPORT ON**

### **One Day Workshop on Departmental PPT Presentation**

One-day workshop on departmental ppt presentation for the purpose of NAAC accreditation, organised by IQAC on 23/02/2019. The IQAC coordinator was Dr. J.N. Pant and the main speaker was Prof. C.D. Suntha, Principal G.D.C. Ganai Gangoli, NAAC expert.

The workshop aimed to enhance the quality and standards of the departments in accordance with the NAAC criteria and guidelines. The workshop started with a welcome address by Dr. J.N. Pant, who highlighted the importance of NAAC accreditation and the role of IQAC in facilitating the process. He also introduced the main speaker, Prof. C.D. Suntha, who has a rich experience in NAAC assessment and mentoring.

Prof. C.D. Suntha delivered a comprehensive and interactive session on how to prepare an effective departmental presentation for NAAC accreditation. He explained the vision and mission of the department, which should correlate with the vision and mission of the institute, and how to articulate them clearly and convincingly. He also discussed the criteria wise presentation, which covers the following aspects:

**Student's data:** The number, diversity, admission, progression and placement of students in the department.

**Faculty details:** The qualification, experience, recruitment, retention and development of faculty members in the department.

**Research and extension activities of the department:** The research projects, publications, patents, awards, collaborations, consultancy and outreach activities of the department.

**Innovative and best practices of the department:** The initiatives taken by the department to promote innovation, creativity, quality enhancement and social responsibility among students and faculty members.

**Extracurricular activities of the department:** The participation and achievements of students and faculty members in cultural, sports, literary and other activities at various levels.

**Future plans:** The goals, objectives, strategies and action plans of the department for further improvement and excellence.

Prof. C.D. Suntha also gave valuable tips and suggestions on how to present the data and information in a systematic, coherent and attractive manner, using charts, graphs, tables, pictures and videos. He also emphasized the need to showcase the strengths, achievements and uniqueness of the department, while also addressing the challenges and limitations.

The workshop was attended by all the faculty members of the departments, who actively participated in the discussion and raised relevant queries and doubts. The workshop was highly informative, beneficial and motivating for all the participants. The workshop ended with a vote of thanks by Dr. J.N. Pant, who expressed his gratitude to Prof. C.D. Suntha for his valuable guidance and insights.
