## **REPORT ON**

## 5 Days WORKSHOP ON ONLINE STUDY MATERIAL PREPARATION DURING COVID-19

4/08/2020 to 08/08/2020

Organized

By

## IQAC

Govt. P. G. College Berinag, Pithoragarh

The workshop on online study material preparation was held from 4th August 2020 to 8th August 2020. The workshop was chaired by Prof. C.D. Suntha, who is an expert in the field of education and pedagogy. The workshop aimed to equip the participants with the skills and tools to prepare and present effective video lectures for online learning platforms.

The workshop covered the following topics:

Preparation of video lectures: The participants learned how to plan, script, record and edit video lectures using various software and devices.

Presentation of video lectures: The participants learned how to deliver engaging and interactive video lectures using voice modulation, body language, visual aids and feedback mechanisms.

Video lecture preparation on OBS Software: The participants learned how to use OBS Software, which is a free and open-source software for video recording and live streaming. The participants learned how to set up scenes, sources, filters, transitions and audio settings for OBS Software.

Usage of YouTube as study platform: The participants learned how to use YouTube as a study platform for online education. The participants learned how to create channels, playlists, subtitles, annotations, cards and end screens for YouTube videos. The participants also learned how to optimize their videos for search engines, analytics and monetization.

Usage of Camtasia software for lecture preparation: The participants learned how to use Camtasia software, which is a professional video editing software for creating high-quality video lectures. The participants learned how to import, trim, split, crop, zoom, pan, annotate, animate and export videos using Camtasia software.

Lecture on OBS software by Dr. P.C. Mathpal: Dr. P.C. Mathpal, delivered a lecture on the features and benefits of OBS Software for online study material

preparation. Dr. Mathpal demonstrated how to use OBS Software for recording and streaming video lectures with high-quality audio and video output.

Usage of Camtasia software by Dr. J.N. pant: Dr. J.N. pant, delivered a lecture on the features and benefits of Camtasia software for online study material preparation. Dr. pant demonstrated how to use Camtasia software for editing and enhancing video lectures with professional effects and transitions.

Usage of google classroom: The participants learned how to use google classroom, which is a free web service for creating and managing online classes and assignments. The participants learned how to create classes, invite students, post announcements, share materials, grade assignments and provide feedback using google classroom.

Uploading in TCSION platform: The participants learned how to upload their video lectures on TCSION platform, which is a digital learning platform for online education. The participants learned how to register, login, upload, manage and share their video lectures on TCSION platform.

The workshop was attended by about 20 faculty members from various departments and colleges. The workshop was highly interactive and informative. The participants expressed their satisfaction and appreciation for the workshop. The workshop was a great success and a valuable learning experience for the participants.
